Dear KISD Parents, Business Owners & Supporters:

The 2008 I-10 Shootout, a girls' high school soccer tournament hosted by the six Katy Independent School District high schools, will take place January 17-19, 2008 at seven venues here in Katy. This year's tournament will again feature some of the very best teams in South Texas. All four Region III 5A Quarterfinalist, the Region IV 5A Champion, a Region II Quarterfinalist, and both Region III 4A Finalist are included in this elite tournament field. Participants include 11 District Champions and 27 playoff qualifiers from the 2007 season. Tournament games are highlighted by a rematch of last year's 5A State Semifinal between Region III Champion, Deer Park, and Region IV Champion Austin Westlake and also include several rematches of last year's playoff games as well as a potential rematch of the Region III 4A Final between Seven Lakes and Friendswood. All totaled there will be 32 varsity and 32 junior varsity teams with over 1,000 student-athletes participating in this tournament which promises some exciting pre-season matches of past and future playoff foes.

I would like to ask if your organization would consider becoming a sponsor of this premier girls' soccer tournament. This is an outstanding marketing opportunity and is a great way to support girls' high school soccer in the Greater Houston area. Sponsorship levels vary widely and are described on the attached page. Proceeds from the tournament will be used to fund scholarships for graduating seniors and to support the soccer programs of the six KISD high schools. The I-10 Shootout is a 501(c)3 non-profit organization. Additional details regarding our tournament and sponsorship opportunities are described on the attached page or can be accessed via the internet at www.I-10Shootout.org.

Thank you for considering this sponsorship opportunity! If I can answer any questions please contact me by email at sponsors@I-10Shootout.org or by phone at 713.579.2010 (work) or 713.628.5676 (mobile).

Sincerely,

Chuck Gremillion
Fundraising Chairman
